

Student Handout #2—Practice Stitching

SEW TEACH ME™

Lesson Two

Goal

Work on controlling your stitching without thread.

Sewing Directions

1. Unthread your sewing machine.
2. Remove your bobbin.
3. Starting on the outside try to sew on the line.
4. Practice again using a guide, such as your machine foot, and stitch $\frac{1}{4}$ " away from the first stitching line.
